- Q. All teams entering district or state tournaments should be insured. Failure to sign these documents by those required, forfeits their rights to play in these tournaments.
- R. All tournament rules for the state tournament will be those set forth in these rules and bylaws. The State Commissioner will have the authority to amend the rules that he deems necessary to conduct the tournament.
- S. The official rulebook for Teeny League and Junior League is the AABA Teeny and Junior Playing Rules. Seniors will be guided by the Official Baseball Rule Book and will be the final authority when situations are not covered in the AABA rulebook.

In the state tournament the State or Assistant State Commissioner will act as rules interpreter, but cannot be part of the committee. (See Section 2 for the protest fee)

- X. All games called off for rain or other reasons will be resumed at the point where play ended. If the game is an official game, the team behind may elect not to finish the game.
- Y. Teeny play will consist of five (5) innings unless one team has a six (6) run lead after four (4) full innings of play, 3½ innings if the home team is ahead.
- Z. When a Teeny team scores five (5) runs in any one inning, teams will change field positions at that point. If a home run is hit ending the inning, only the fifth run that inning will score. The maximum that can be scored in an inning is five (5) runs.
- AA. Junior games will consist of six (6) full innings of play unless one team has a ten (10) run lead after four (4) full innings of play; three and one half (3 ½) if home team is ahead.

- EE. If a player throws a bat in anger, he or she is subject to ejection.
- FF. RE-ENTRY RULE: A player in the starting line-up who has been removed for a substitute may re-enter the game once provided the player returns to the same position in the batting order and the substitute must leave the game. Only players in the starting lineup may re-enter the game. A pitcher or catcher can be substituted for after they have made it safely to base. Should injury to a player prevent a team from fielding nine (9) players, the manager may insert a player previously used in the line-up but only if there are no other eligible substitutes available. If an ejected player prevents a team from fielding nine (9) players, the manager may insert a player previously used in the line-up. In this case, the opposing team manager shall select the player to re-enter the line-up. A player ejected from the game is not eligible for re-entry. NOTE: An improper substitution is NOT basis for disqualification or forfeiture, and should not be confused with action to be taken when playing an ineligible player. When it has been determined that a player has been substituted improperly, the Umpire-In-Chief shall order the player removed and the game resumed after a proper substitution has been made.
- GG. NO HEADFIRST SLIDE except when returning to a base will be allowed in Teeny and Junior AABA game. Penalty will be the runner shall be ruled out. EXCEPTION: If in the judgment of the umpire the player stumbled and fell head first, the player will not be called out.

A “play” is defined as a defensive player in possession of the ball waiting to make a tag. FAKE TAGS ARE ABSOLUTELY FORBIDDEN IN ANY CIRCUMSTANCE. Runners who leave their feet (i.e., hurdle) to avoid a tag shall be ruled out as if tagged.
- II. Junior “A” batters may not run on third strike missed by catcher. Junior “AA” batters can run on third strike missed by catcher.
- JJ. No team may enter the District or State tournament after a team forfeits a game or the first round is complete. After the second loss in the tournament the team is eliminated and may not play another game.
- KK. Teams may bat 10 players but can only play 9 in the field; the 10th player must meet the requirements of Section 6. The batting order will be the official line-up; with the exception of the pitcher any of the other 9 players may switch positions including the extra hitter. (This is an option only, however if you start with 10 you must use 10 the whole game and if a player gets hurt or sick and no substitutes are available an out will be taken when that player is scheduled to bat.)
- LL. Double Forfeits will follow this guideline; if both teams are undefeated then a coin toss will be used to determine which loser bracket game each team will go to. The loser of the coin toss will

go to the loser bracket for that game, the winner of the coin toss will go to the winners bracket and then go to the losers bracket of that game with the team they would have played getting a forfeit win. If it is double forfeit in the loser's bracket, both teams are eliminated and the team the winner was to play receives a forfeit win.

- MM. There will be no one in the dugouts except players and coaches. No bat boys or bat girls.
- NN. There will be no buckets, chairs, or any other unnecessary objects inside the field fence.
- OO. If a coach or player is ejected from a district or state tournament game, he/she will not be able to coach or play in the next game (field or stands). If a coach or player is ejected twice, he/she will not be able to coach or play the rest of the tournament (field or stands).
